

Gabriel Hill McGuire

Atlanta, GA 30318 | hello@GabeMcG.dev | (706) 512-1523 | www.GabeMcG.dev

EDUCATION

Georgia Institute of Technology

Candidate for Bachelor of Science in Computational Media
Concentrations in People & Interaction Design

Atlanta, GA
May 2025

RELEVANT EXPERIENCE

Secure Verification Group, Inc.

Co-Founder, Chief Experience Officer

Atlanta, GA
July 2023 - Present

- Designed and programmed a way for small businesses to verify digital driver's licenses from patrons' Apple and Google Wallets
- Collaborated directly with Apple engineers to implement new beta APIs before public release
- Conducted customer discovery interviews with tens of small business owners
- Designed branding and marketing assets with a clean and modern feel

The Home Depot

User Experience Design Intern

Atlanta, GA
May 2023 - July 2023

- Guided the future direction of the app with an international and cross-functional team to support 400,000+ end-users
- Conducted discovery interviews to build digital interfaces to replace paper processes
- Conducted usability tests with Figma prototypes in-store with real-world users
- Created a new design language to unify the inconsistent designs throughout the app
- Provided HTML and CSS code assistance to developers to bring my vision to life

ADDITIONAL EXPERIENCE

Shaw Industries, Inc.

Software Engineering Intern

Dalton, GA
May 2021 – July 2021

- Designed flows to automatically create service tickets when business critical Azure servers encountered issues
- Created Discovery Compliance rules that flagged devices within the company that were running unsupported versions of software
- Gathered hundreds of the company's URLs for service mapping, application portfolio maintenance, and the migration from a self-hosted cloud to Azure

PROJECT EXPERIENCE

Collaborative Video Editor

Introduction to User Interface Design

Atlanta, GA
July 2020

- Conducted user research with stakeholders and designed interactive Figma prototypes using my findings
- Conducted usability assessments of my prototype and improved interactions based on my findings

CAMPUS & COMMUNITY INVOLVEMENT

Vice President of Design & Media, iOS Club @ Georgia Tech

May 2023 - Present

- Provided hands on support and constructive feedback to over 70 designers on 20+ apps over two years
- Designed marketing materials that grew the club by over 200 members
